2022 YEAR OF ACTION

OUR MISSION

We Unite people and organizations to build a healthy, stable and well-educated community where individuals, families and neighborhoods thrive.

We strive to create communities where everyone has the resources, opportunities and support they need to thrive. We focus on mobilizing individual donors, volunteers, businesses, private foundations, public agencies and nonprofit organizations. We want to be YOUR trusted partner that helps build YOUR capacity and capability.

Congratulations on being a recipient of this year’s Community Service Grants. Here are a few ways we look forward to involving your organization.
