# YMCA OF NORTHERN UTAH FIND YOUR ADVENTURE. FIND YOUR SUMMER!

## OVERNIGHT CAMP

### YMCA CAMP ROGER

For the last 75 years at YMCA Camp Roger kids develop outdoor skills in a structured small group setting. The goal here is for our campers to grow in independence, responsibility, and confidence as they are guided through the camp experience by hand-picked and trained staff. Each week's theme is designed to captivate youth in new and exciting ways, with a different theme game every week and a story that makes each week unique in its own way! In addition to traditional camps, we offer specialty camps that allow campers to grow in areas such as leadership development and horseback riding!

### YMCA MILL HOLLOW

For over 60 years Mill Hollow has been THE environmental education center for Utah. YMCA Mill Hollow carries forward that rich tradition of summer camp: skits, songs, campfires, s'mores, arts and crafts, hiking, and so much more while campers connect with the natural sciences through outdoor education and exploration. During their adventure, campers will explore by turning Utah's mountain landscape into an outdoor laboratory where campers have the opportunity to experience the natural sciences while getting a little muddy, making new friends, and having a whole lot of fun.

### ADDITIONAL PERKS INCLUDE:

- Only \$100 down
- Payment Plans Available
- Weekend Stayover Extension
- Transportation Available

## SUMMER DAY CAMP

When your camper attends Summer Day Camp at the Y, they aren't just walking away with new friends and skills, they are taking with them a new found confidence in themselves and a lifetime of summer memories! From songs and games to character development and friendships, summer day camp at the Y has a little something for everyone!

### PRESCHOOL CAMP

Summer is all about new adventures, carefree moments, and boundless joy! Our preschool camp, is tailored for children aged 3 through 4, and embraces the spirit of summer by infusing heaps of fun while sneaking in educational elements. Every week, our camp attends a fun field trip or gets a visit from a special guest and introduces engaging, theme-based activities suitable for the developmental stage of preschoolers, all within a secure environment.

### TRADITIONAL CAMP

Traditional camp includes arts and crafts, group games, character development, weekly swimming, and field trips or visit to camp by a guest artist! Kids are divided into groups based on their ages but come together daily for opening and closing assemblies that center around camp songs, skits, camper-of-the-week awards, and so much more! Campers participate in activities that teach character development and facilitate lifelong friendships!

## OGDEN NATURE CENTER

966 W. 12th Street, Ogden

801-621-7595

[ogdennaturecenter.org](http://ogdennaturecenter.org)

### DAY CAMPS

Most camps run from 8:30 a.m. to 3:30 p.m. except ages 6 to 7, which run from 9 a.m. to 1 p.m.

### JUNE 12: UNDER THE MICROSCOPE

Ages 10-12

Creatures and critters we can't normally see are the focus of this adventure in which campers will explore the mini worlds of soil, plants, ponds and more. Using microscopes and hand lenses, games and crafts, campers will learn more about the creatures we can't see with the naked eye.

### JULY 22: ECO ART

Ages 6-7

(at education building, playscape, outdoor classroom)

Explore the beauty of nature! Campers will create crafts inspired by their surroundings while learning about the environment and the animals with whom we share our ecosystem.

### JULY 23: MYTHS & MONSTERS

Ages 10-12

Why do people all over the world tell stories about dragons? And how could something as big as Bigfoot stay hidden when cameras exist? Join us as we talk about how myths come to be and how some have roots in nature.

### JULY 25: READY, SET, GROW!

Ages 7-9

Roll up your sleeves and get ready to do some gardening as we explore how plants grow. Harvest flowers and vegetables to discover where seeds come from, get your hands dirty as we investigate what lives underground in the soil, and learn about native plants that are found around the nature center. Join us in our Discovery Garden as we plant seeds, make crafts and grow our gardening skills.

### TODDLER TRACKS

Held on select Fridays from 9 to 11 a.m.

### JUNE 14 & JULY 12: MUDPUPIES

Join us as we get our hands dirty with some good old-fashioned mud fun. Find out why dirt is so important as we dig holes, find worms, make animal tracks and hear stories about animals in burrows. Dress for the mess!

### JUNE 21: LITTLE CAMPERS

Time for an adventure in the great outdoors! Campers will go on a pretend mini "camping trip" as we explore the trails, play games, sing campfire songs and make tasty treats.

### JUNE 28: CATS & DOGS

Do you like cats or dogs? At the Ogden Nature Center, we like both! Come learn with us about the kittens and puppies in nature as we explore the wilder cousins of our furry pets.

### JULY 19 & AUGUST 2: SPLISH, SPLASH, SPLAT

Prepare to get wet as we learn what floats, sinks and swims in water at the nature center. We'll dip for bugs in the pond, find out what water does to a sand castle, and hear stories about the creatures that call water their home.

### JULY 26: NATURE'S MUSIC

There's music to be heard as we listen to the choir of whoops, whistles and calls in nature. Create your own rhythms as we join along with nature's melodies and explore the sounds of the world around us.

### FLEDGLINGS

Runs from 9 a.m. to noon

August 5-9: Fairytales and Fables

Learn how nature and story combine in this magical camp that explores classic fairy tales and their animal counterparts. Sign up for the whole week or choose individual days.

### WEEKLONG CAMPS

Run from 8:30 a.m. to 3:30 p.m. on regular camp days. Overnights are from 6 p.m. Thursday to 9 a.m. Friday.

### JULY 15-19: WILD THINGS

Ages 10-12

From forests to fields, the Ogden Nature Center is teeming with life. Spend some time this summer exploring all 152 acres. Observe pond life under microscopes, catch insects in the field and travel off the beaten path in search of secret spots. Learn about native plants and animals that call the nature center home. Meet some furry, feathery and funny-looking friends up close as you investigate the wild side of the Ogden Nature Center. Monday through Wednesday are regular camp days. The overnight portion starts at 6 p.m. on Thursday and ends at 9 a.m. on Friday. No regularly scheduled camp on Thursday or Friday.

### JULY 29-AUGUST 2: WILDLIFE DETECTIVES

Ages 9-11

Investigate the wild side of nature! Solve clues, decipher codes and interpret maps as you spend the week exploring the mysterious world of animals. Nature crafts, animal games, hands-on investigation activities and an overnight campout make this an adventure you won't want to miss. Monday through Wednesday are regular camp days. The overnight portion starts at 6 p.m. on Thursday and ends at 9 a.m. on Friday. No regularly scheduled camp on Thursday or Friday.

### ADULT/FAMILY CAMPS

Times vary

### JUNE 14: DATE NIGHT

Ages: 21 and older

Bring your favorite person to snuggle with under the stars. The campfire program is for adults 21+. A fun evening complete with pudgy pie dinners, s'mores, an evening nature walk and to top it off, stargazing.

# OGDEN NATURE CENTER

## JULY 12: FAMILY CAMP

**For families of all ages**

Join us on an adventure for the whole family. Pack your tent and enjoy a night under the stars at Ogden Nature Center's Dumke Picnic Grove. Play games, make crafts and learn about the creatures that run the night here at the nature center. Hot dog dinner and a cold breakfast will be provided.

## JULY 26: ARE IN NATURE

**Ages: 21 and older**

Get creative in nature with this day of exploring, sculpting, painting, and drawing. Campers ages 21 and older will work with local artists sculpting with clay, painting with acrylics, and using colored pencil, pencil and pen to explore the natural world around them. Bring a water bottle and be ready to walk a little and create a lot.

## VOLUNTEENS

**From June 4 to August 8  
Tuesdays & Thursdays  
9 a.m. to noon**

Serve, learn and have fun with a unique program designed to get teens out of the house this summer. ### OOPS I ARTED SUMMER SEMESTER ART CAMP

**June 13 through July 25**  
(No class the week of July 4)  
**Thursdays at 2:30 to 3:30 p.m. OR 1 to 2 p.m.**  
**Ages: Kindergarten through 6th grade**  
**Cost: \$99**

Bring your kids for a fun and educational six-week summer semester. This semester-long camp/class will inspire and motivate your student(s) to be creative in new ways as they explore art through a variety of media. Students will learn how to use new tools and create projects that are unique, fun and engaging.

In class, we focus on the process of learning a new skill and encouraging students to discover their own unique way to create. Our class motto is "You Are the Artist." We use this phrase to remind students that they make the creative decisions.

This summer, our classes will include perspective drawing with watercolors, clay holders, felted pencils and more! The semester will end with an art show where your students are the featured artists.

This year, our classes will be on Thursdays: 2:30 to 3:30 OR from 1:00 to 2:00 for Kindergarten to 6th Grade. We start classes on the week of June 13th and end on the week of July 25th. We will have the week of July 4th off. The class is \$99

**Session 2: June 10 & 11**  
**Session 3: June 27 & 28**  
**10 to 11:30 a.m.**  
**Ages: 8 and older**  
**Cost: \$69 (includes all materials)**

Join us for a great two-day camp for teenagers where they will be making their own jewelry. Students will make a copper dog tag/pendant, a copper ring and a leather bracelet with a copper coin designed by the student. Students will be able to stamp words, dates or symbols on their jewelry. For students who have taken his class before, different projects will be provided for them.

At the end of the second day, parents will be invited to come and see all the jewelry that the student has made. Class size is limited to 6 students.

This class will be taught by Rene Venegas, a 16th generation silversmith. His family was one of the first to arrive in the Americas from Spain. His ancestor, Felipe Venegas, was the silversmith for the early cathedrals in the Dominican Republic and stamped the first European coins in the New World. Call or text 801-686-5351 for more information.

## PRESCHOOL CAMP

**Ages 3 & 4 (not rising Kindergarten)**

**Open 7:30 a.m. to 6 p.m.**

**\$230/week (DWS subsidies accepted & financial assistance available)**

Summer is all about new adventures, carefree moments and boundless joy! Our preschool camp is tailored for children aged 3 through 4 and embraces the spirit of summer by infusing heaps of fun while sneaking in educational elements. Our adept early childhood staff members provide personalized attention and nurturing care to each child.

Every week, our camp attends a fun field trip or gets a visit from a special guest and introduces engaging, theme-based activities suitable for the developmental stage of preschoolers, all within a secure environment. Rest assured, our camp aims to offer you the peace of mind you seek when entrusting your preschoolers to our care!

## TRADITIONAL CAMP

**Ages 5 to 13 (not rising 9th grade)**

**Open 7:30 a.m. to 6 p.m.**

**\$230/week (DWS subsidies accepted & financial assistance available)**

Traditional Camp includes arts and crafts, group games, character development, weekly swimming and field trips or a visit to camp by a guest artist! Kids are divided into groups based on their ages but come together daily for opening and closing assemblies that center around camp songs, skits, camper-of-the-week awards and so much more. Campers participate in activities that teach character development and facilitate lifelong friendships.

## COUNSELOR-IN-TRAINING (CIT)

**Ages 14 & 15 (not rising 8th graders)**

**Open 7:30 a.m. to 6 p.m.**

**\$50/week (DWS subsidies accepted & financial assistance available)**

The CIT program is perfect for older kids who are interested in becoming camp counselors someday (those who do best are offered jobs once they turn 16). CITs spend time with group counselors learning group management skills, guidance and discipline, and trauma-informed care.

## STEM SPECIALTY CAMP ADD-ON

**Ages 8 to 13**

**\$45/week**

STEM Specialty Camp can be added to your child's day at Traditional Day Camp for a hands-on STEM experience. STEM camps often involve interactive and hands-on activities that allow kids to explore scientific concepts through experiments and projects. This practical approach enhances their understanding and retention of STEM subjects.

STEM camps contribute to a well-rounded education by fostering skills that are valuable not only in STEM fields but also in various aspects of life. They provide a foundation for future academic and professional success! Campers will attend two hours per day of STEM Camp that is led by a professional STEM educator. Campers might design water filters, clean an oil spill, see animal noises and participate in more daily immersive activities!

# WEBER STATE SCIENCE IN THE PARK

## WEBER STATE SCIENCE IN THE PARKS PROGRAM

Science in the Parks is coming to a park near you again this year! Come spend a week full of hand-on activities that are geared around fun, discovery and science. We are partnering with the Arts in the Parks program as well as the Ogden School District free summer lunch program to help entertain and excited children of all ages this summer.

All are welcome, and all activities are free. Plan to eat lunch and then spend as much time as you'd like at any and all of our stations

**Science in the Parks activities are hosted from noon to 1 p.m. each of the following days.**

**June 10-14: Lorin Farr Park (769 Canyon Road, Ogden)**

**June 17-21: Monroe Park (850 30th Street, Ogden)**

**June 24-28: Mt. Ogden Park (3144 Taylor Avenue, Ogden)**

**July 1-5\*: 4th Street Park (275 4th Street, Ogden)**

*\*No activities on July 4*

**July 8-12: West Ogden Park (751 West 24th Street, Ogden)**

We can always use volunteers, and we are also always looking for more ways to expand. If you have ideas of how we can meet your science-based community needs, please let us know!

We'll provide more updates on our webpage and social media as needed. Let us know if you have questions by contacting [amandagentry@weber.edu](mailto:amandagentry@weber.edu).

# STEAM SUMMER PASSPORT ACTIVITIES

June 27th to  
August 3rd, 2024

Hill Aerospace Museum's **STEAM Summer Passport Program** runs June 27th through August 3rd this year! Join us at the museum **Thursdays and Fridays** each week for science and history lessons with fun experiments, demonstrations, or hands-on activities! After students have participated in all four classes, they may report to museum staff to receive a special pin and graduation certificate. Registration is not required.

All programming is **FREE**. Limited seating available. First come, first served.

## Thursdays

11:00 am

### Aircraft Adventures

Discover the stories of aircraft throughout the years of Hill Air Force Base's history. Each week we will explore a different aircraft and get an up-close, guided view of each plane!

## Fridays

11:00 am

### Forces of Flight

Learn about the forces of flight and determine the effect of balanced and unbalanced forces. Each student will create a flying model to test out.

2:00 pm

### Whether the Weather

Investigate the air masses that cause changes in weather patterns and how our missions adapt based on the weather! Programming includes information on air pressure, cloud formations, and varying weather phenomena.

2:00 pm

### Rockets

Come learn about the history and design of rockets and missiles at Hill Air Force Base, then build your own to test and launch in front of the museum!
